

Your Dog Makes a Difference, Too!

Pawsitive Pals

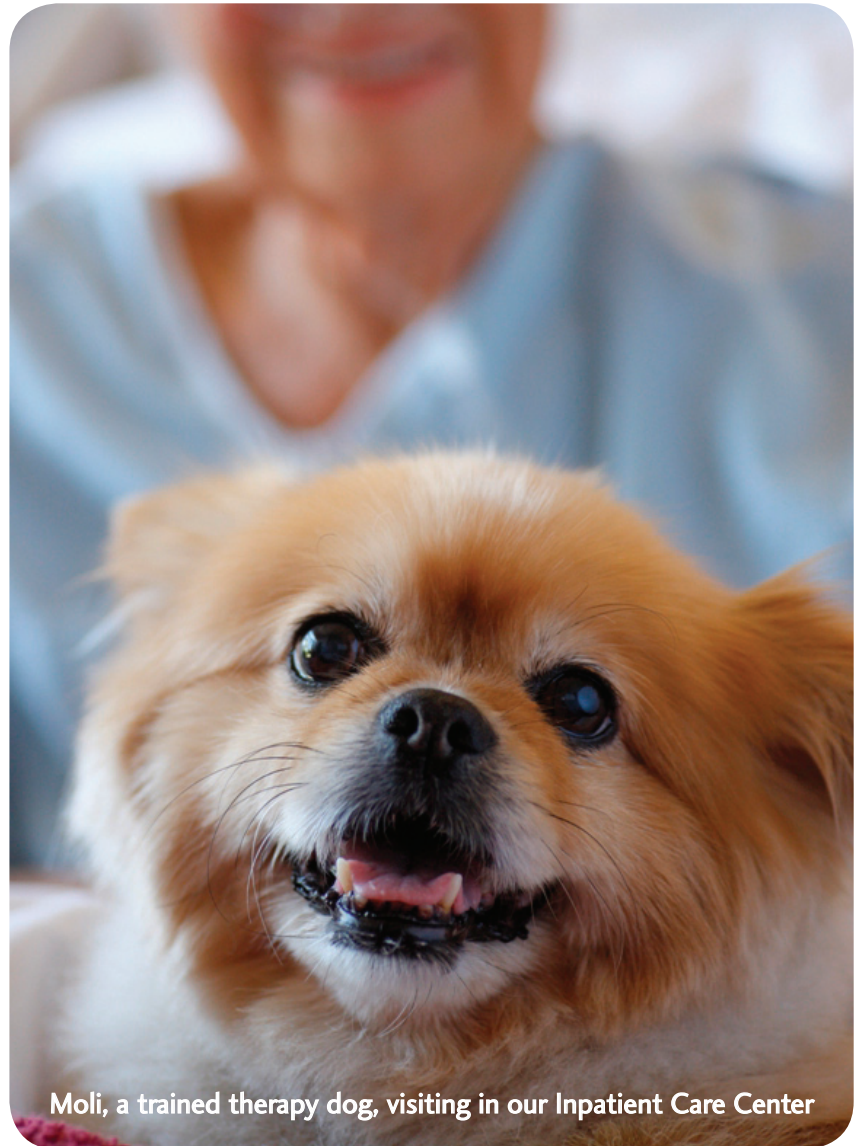

At San Diego Hospice and The Institute for Palliative Medicine

You and your pet can make a tremendous difference in the lives of others by sharing the comfort and companionship that only animals can provide.

San Diego Hospice pet therapy volunteers visit patients:

- ♦ in patient homes
- ♦ in skilled nursing facilities
- ♦ in our inpatient units

Share the joy and warmth of your special four-legged friend by joining our *Pawsitive Pals* training program. Be a part of our team to help meet needs throughout San Diego County.
